

Take the Highway Safety CHALLENGE! Do your part to help prevent highway fatalities by:

- Buckling up
- Avoiding distractions
- Sharing the road
- Obeying speed limits
- Driving drug-and-alcohol free

For more information on the Virginia Highway Safety Challenge and ways to avoid becoming Virginia's next traffic fatality, visit www.safeVAhighways.org.

Hot Spots for the Fredericksburg Region September 5 – September 11, 2010

Traveler Alert

Tuesday - Friday, 9 a.m. – 2:30 p.m.; Motorists should be alert to crews and equipment conducting routine maintenance activities along the shoulder on both north and southbound I-95 between the Hanover C.L. and the Prince William C.L. All travel lanes will be open for this mobile operation.

Stafford County

Interstate 95

Tuesday and Thursday, 9 p.m. – 1 a.m.; crews will be repairing potholes at various locations on both north and southbound I-95 between the Prince William C.L. and Exit 140 (Rt. 630/Stafford). Two lanes will be closed in the mobile work zone.

Ripley Street

Motorists are reminded that Ripley Street located at the entrance of Apple Grove Subdivision is closed traffic. Crews are working to raise the existing grade up to the grade of the new pavement. Motorists can use Algrace and Puller Place as an alternate entrance and exit Apple Grove Subdivision. Ripley Street will remain closed until December 2010. This work is in connection with the Route 610 widening project.

Route 610 (Garrisonville Road) - Ongoing Construction Project

Tuesday– Friday; motorists should be alert to construction crews and equipment and changes in changes in traffic patterns on Rt. 610 near Joshua Road. This work is in connection with the Route 610 widening project.

Route 630 Bridge over CSX Railway (On-going Construction Project)

Tuesday – Friday; motorists should be alert to construction equipment entering and exiting Rt. 630 at the bridge over the CSX tracks. The bridge replacement project is expected to be complete in September 2011.

Spotsylvania County

Interstate 95

Tuesday, 9 p.m. – 4:30 a.m.; crews will be installing rumble strips on the shoulder of northbound I-95 between mile marker 122 and 132 located north of Exit 126 (Rt. 1/Spotsylvania) to north of Exit 130 (Rt.3/Fredericksburg). This is a mobile operation and motorists will be restricted to one lane in the work zone. Expect delays.

Tuesday – Friday, crews are replacing the continuous traffic counters on I-95 south located just south of Exit 126 (Rt. 1/Spotsylvania). Motorists should expect periodic day and night time lane and shoulder closures in this area between the following hours:

- Tuesday – Thursday, 8 p.m. – 4:30 a.m.
- Wednesday – Thursday, 8:30 a.m. – 3:30 p.m.
- Friday, 8 a.m. – noon

Spotsylvania County - continued

Route 639 (Salem Church Road)

Tuesday – Thursday, 8 p.m. – 5 a.m.; crews continue the paving project on Route 639 between Harrison Road and Route 3. Motorists will be restricted to one lane in the work zone.

Towles Mill Road (On-going Construction Project)

Towles Mill Road is now open to through traffic. Crews continue work to replace the existing drainage pipe with a concrete box culvert. The Towles Mill Road Improvement Project is expected to be complete in September 2011.

Route 208 (Spotsylvania County Bypass Project Phase II) (Ongoing Construction Project)

Motorists should be alert to construction crews and equipment entering and exiting Rt. 208 from just west of the TA River to just east of the PO River near Lake Anna. Phase II of the Spotsylvania Courthouse Bypass Project is expected to be complete in February 2013.

Caroline County

Interstate 95

Tuesday - Thursday, 6 p.m. – 5 a.m.; crews continue milling and paving on I-95 south between mile markers 111 and 108 located just north and south of Exit 110 (Rt. 639/Ladysmith). One lane will be closed in the work zone beginning at 6 p.m. Beginning at 10 p.m. until 5 a.m. two lanes will be closed. Expect delays

Tuesday – Thursday, 10 a.m. – 7 p.m.; crews will be replacing guardrail on both north and southbound I-95 between Exit 110 (Rt. 639/Ladysmith) and the Hanover County line. All travel lanes will remain open to traffic.

Route 207 Westbound Bridge over CSX

Motorists are reminded that one lane on the westbound Rt. 207 bridge over CSX is closed to traffic. Crews are repairing and repaving the bridge deck. The work is expected to be complete by September 9.

Route 207/652 (On-going Construction Project)

Motorists are reminded that traffic has been diverted to the new Rt. 207/Rt. 652 intersection and the new traffic signals have been activated. The old intersection is now closed. As work continues on this improvement project motorists should be alert to construction crews, equipment and traffic pattern changes. The project is expected to be complete by November 2011.
